

FOR STUDENTS AGED 4-7 YEARS

LANGUAGE STIMULATION THROUGH PRETEND PLAY

ARE YOU LOOKING FOR A FUN AND EFFECTIVE WAY TO BUILD YOUR CHILD'S LANGUAGE AND THINKING SKILLS?

JOIN OUR WORKSHOP

This holiday programme is designed for children aged 4–7 who are developing emerging language skills. Through pretend play, your child will practise communicating, thinking, and problem-solving — all while having fun!

THERAPY MEDIUM

Play-Based Learning: Each session uses storytelling, role-play and hands-on activities to make communication engaging and meaningful. Children learn best when they play and that's exactly how we teach.

PROGRAMME GOALS

LANGUAGE GOALS

- Vocabulary expansion (emotions, actions, descriptors, categories)
- WH-questions (who, what, where, why)
- Sentence building using visuals and modelling
- Use of transition and connector words
- Following multi-step instructions

Cognition GOALS

- Imagination and symbolic play
- Emotional recognition and expression
- Flexible thinking & problem solving
- Joint attention & turn-taking
- Early inferencing skills
- Dynamic Thinking

AT A GLANCE

FEATURES:

- Interactive and structured sessions
